Thank you Brett- it is great if you can work with her. I will also let Dave bray know that she just sent it up. I know the company is very anxious for our response.

Subject: FW: question about denying NSPS alternative monitoring requests
Importance: High

Hi Julie, I got this question from Madonna regarding an Alternative Monitoring Request she is working on. I think this is the one she thought was referred to ORC already. I can work on this with her, unless someone else has already been assigned.

Thanks,

Brett
